<b>Inspirational Messages</b>	<b>Description/Purpose/Use</b>
Being the Lighthouse	Company culture isn't the building or home office; it's every person from every department throughout the entire organization. In this dark hour, take great pride in being a lighthouse breaking through the fog of uncertainty and fear!
A Proportional Response	We're discovering new meanings daily of what heroism truly is, and it's not the capes we grew up watching. The answer to this diabolical complex simplicity is to become a servant leader!
Military Attributes	We've taken seven leadership attributes that the military ensures are taught at every level, and highlighted them below for you. Take the time to go through each one and do a bit of self reflection.
Being Self-Disciplined	Work on setting goals and maintaining target KPI's as you set expectations with your direct report and those you supervise. Go above and beyond showing you have the discipline it takes to excel.
Enduring Perseverance	Now that we are well beyond the starting line, how do we continue to lead, learn and persevere well? Here are a few tips to help you persevere through the uncertainties that remain.
